

## 2024 Living Volunteer List

Friday December 6th - Saturday December 7th

The Living Nativity at St. Paul Lutheran Church is coming up on December 6th and 7th. Thank you for being a part of this great event. It is a great opportunity to celebrate and share the story of Jesus' birth with around 1,560 people in our community. Below is general information followed by a volunteer list. Also look for the Script for more information about your role.

### **SET-UP TIMES FOR YOUR STATION (if applicable): TBD**

**REHEARSAL/RUN-THRU & COSTUMES:** We will be having a practice run-through on Monday, December 2nd at 6:00 pm. As soon as everyone is ready we will have a family go through. Please make sure you attend, as this will be our only practice! (Meet at the main red Kelkenberg barn @ 9270 Wolcott Rd, Clarence Center). Please plan on dressing warmly for outdoor weather, even if you are in a barn. Costumes will be available **for preview** at our Rehearsal at 6:00pm, at Kelkenberg Farms. If you have your own costumes or your own props that's great!! But, if we can help add to yours, or if you need a costume you are welcomed to check out what we have. Text or email Leslie Cherry if you have questions about costumes at (716) 696-0251 or lbcherry55@yahoo.com

**On Friday, December 6th,** please plan on coming a few minutes early or dress in costume. There will be areas for you to dress/change if need be. **AFTER YOUR SHIFT EACH NIGHT** you will need to **sign your costume back in. No costumes are to be taken home.**

**ARRIVAL TIMES:** On Friday, please be ready at your station before 5:00. On Saturday be ready at your station at 4:30.

**BEFORE/AFTER:** Please remember to eat an early dinner beforehand. There will be pizza available on Friday before the event if you need it. Also, there will be a "cast party" afterwards on Saturday and snacks on Friday

**YOUR TEAM:** Look for your name below – teams are in the same set of blocks, and the team leaders are listed first. Please reach out to them first and then you will ask people to volunteer and add them here.

**Dear volunteers,**

**Below you will find suggested lines that you may use to help tell the story of Jesus' birth. Please be in touch with your team to make final decisions.**

**Feel free to remain as yourself – your own joyful, or grouchy, or tired self – just step back a couple thousand years in time and help people imagine that there is more to life than what appears at first. There is Jesus, God's great surprising gift to save us.**

**Joy to the world, and to you! Merry Christmas & Thank You!**

**- Pastor Zech**
